My dear friend and Partner,

A lot of years have passed since the Lord called me into this "His" ministry. From way back then when I was known as "that kid healing evangelist" traveling for the Lord to now, one thing I have learned from the beginning from Oral Roberts that has made the difference all these many years is the principle of seed-time and harvest! When I first learned the power of this principle, I was a kid with an income of \$5.00 a month. I understood the giving and receiving part but, it wasn't till later that I came to understand the power in "partnership" and enjoy partnering with ministries that I am still to this day in partnership with.

The Apostle Paul wrote to the Church at Philippi and said: "I thank my God upon every remembrance of you, always in every prayer of mine for you....for your fellowship in the gospel..." (Philippians 1:3-5).

Here, the word fellowship can also be translated as "partnership." It describes a covenant relationship between two parties who have common interests. The purpose of their partnership, or covenant relationship, is to accomplish something that neither of them could do alone. What both excites and humbles me about this powerful relationship is this, I've never had interest in "having" partners but I get thrilled beyond words at the opportunity to "be your partner- and you be my partner", which is the case here.

When you sow into this ministry, you are never just a mere contributor who is expected to give me your money but rather, you enter into partnership with me which gives me the privilege to "be YOUR partner" in the Lord! Every donation to this ministry is used 100% for the spreading of the gospel -and- I get to be a part of God's plans, purposes, and pursuits in your life. You share in the rich rewards of all that God does and accomplishes thru my life and this ministry, and I share in the rewards of all that God accomplishes in and through you! For this, I thank you from the bottom of my heart.

God has much to accomplish and the goal of this ministry is "to meet the needs of the people". To love every human life with His love, and to see every individual life prosper; spiritually, physically, financially, socially, emotionally, and to prayerfully support you to live the dream and accomplish all that God has placed in YOUR heart to do, to be, to enjoy, and to accomplish for Him -- with total victory!

From my heart to yours; Thank-You for your obedience to partner with me in the Calling of God upon my life through your financial and prayerful support, love, encouraging words, and attendance in the meetings. I believe that God will bless you exceedingly, abundantly above all you could ask or even think.

In closing, I would like to borrow Samuel's words in expressing my sincere, heart-felt appreciation to you; "... God forbid that I should sin against the Lord in ceasing to pray for you" (1 Samuel 12:23).

I love you, I appreciate you, and I bless you, in the Name of our Lord Jesus Christ! Thank you,

Your Ministry Partner, Prayer Partner,
& Friend,
